Subject: Military Munitions Response Program Stakeholder's TPP Meeting for the RI.

When: Wednesday, November 10, 2010 9:30 AM-2:30 PM (GMT-05:00) Eastern Time (US & Canada).

Where: Picatinny Arsenal, the tower

All:

As I noted during last week's RAB, the Kickoff Technical Project Planning (TPP) meeting for the MMRP Remedial Investigation (RI) that was postponed in September is now scheduled for 10 NOV. The meeting will be located at the Tower (Bldg 44 at Picatinny) at Picatinny and should start at 9:30 on 10 NOV. I will do passes for you when we get closer to the date. More specific details will follow as well.

I have already received an informal 'OK' about the date from the regulators and now asking all Stakeholders if they can attend. Please let me know if you can attend or provide suggestions for a substitute if you cannot.

Army Guidance on an MMRP RI can be [provided upon request](#): EPA has separate guidance that should be found on their website. The Picatinny MMRP site map is attached here or can be found on Mike's Web page.
