

## State of New Jersey

DEPARTMENT OF ENVIRONMENTAL PROTECTION

CHRIS CHRISTIE  
*Governor*

BOB MARTIN  
*Commissioner*

### Memorandum

Date: 6/14/2010

To: Greg Zalaskus, Case Manager  
Emergency Management Program

From: Joseph Marchesani, Hydrogeologist  
Bureau of Ground Water Pollution Abatement

Subject: Picatinny Arsenal  
Draft Final Remedial Design, Group 3, Sites 1, 2 and 4 (PICA008)  
April 2010

The Bureau has received and reviewed the subject document. The document is acceptable as submitted.

Comment: A second injection well at the northern plume, adjacent to 2IW-11 is recommended.

If there are any questions, please contact me at 292-8427.
