Dear Sirs:

Enclosed for your records is the **Sampling Summary Report, Former Dog Pound Area Area.**

The modifications to the 2008 version of this report were based on the Army responses to NJDEP comments that were approved per attached June 2010 email from Jim Kealy. Appropriate changes will also be included in the 25 Site Feasibility Study as recently approved by the USEPA.

For additional information, please see older IAG schedules and other correspondences. Any question, concerns or need for additional copies, please call or email me. The electronic document will be on the ARCADIS FTP site.

Sincerely,

Project Manager for Environmental  
Restoration

Enclosure

Copies Furnished:  
NJDEP, Mr. Marchesani

Greg and Ted.

I have reviewed the Army response to DEP comments on the Dog Pound Report. I also forwarded it to the Bureau of Environmental Radiation for their review. The Army responses to DEP comments are acceptable.

Let me know if you have any questions or would like to discuss.

Jim
